

The Rohingya between the
Genocide of Myanmar, the
Expulsion of Bangladesh, and the
Indifference of the Rest of the
World

The Genocide of Rohingya Muslims

Who is responsible????

The Barbaric monks?

or the Brutal Nobel Peace Prize-winner who is now detained????

the Savage militants?

The Story

Peaceful Muslim families living in Rakhine since 18th century

The Militant Role

➤ **The ruling generals of the military coup in 1962 suppressed the Rohingya in borderlands**

➤ **From 1970 on the Rohingya were denied full citizenship**

The Militant Role (cont.)

➤ In 1978 the military undertook a brutal operation which led 200,000 person to flee into Bangladesh

Yet another and another Exodus

➤ From 1991 - 92, another 250,000 fled into Bangladesh

Has anyone asked WHY? or HOW did they feel?

Since 1978 Rohingya

faced systematic persecution

Has anyone asked what wrong did they do to deserve this persecution???

**Rohingya fleeing
forced labor rape**

**and persecution at the
hands of the army**

Is this the action of the Savage Militant or the Barbaric Monks?

Hang families and slit their throats in front of other family members?

Innocent lovely school children

It didn't cross their mind that they will never reach home after the school
What did they do to deserve this?

They also used other ways of massive killing

**Hundred thousands of the Rohingya Muslims were burned to death!
WHY?**

Here we are with the Charismatic Monks!

Celebrating their victory on the Rohingya bodies they executed!

What about the Charismatic Monks??

They have established
the Ma Ba Tha

in order to condone
and incite violence
against Muslims

Is that what Buddha has ordered them to do?

Is the myth of Buddhist non-violence a product of Western fantasy?

More than 20,000 Muslims has been killed in Burma
But.. Electronic Media is Criminally Silent – Please SHARE

A Muslim boy killed in Burma when he came to take bread
A Dog dies and many care a Muslim dies and no one cares

How then explain shedding the blood of innocent children and teenagers?

Let us have a close look into Buddhism

I myself has lived several years in Buddhism country, but let me ask, "How long we are going to be mesmerized by the idea that Buddhism equals non-violence, and let it blind us to the atrocities unfolding in Myanmar?"

What was the reaction of the World?

**Demonstrations in a few Islamic Countries
But
Total Block from International Media**

Does the thrown of

the Heroin

start to shake

Happily celebrating her victory over the Rohingya helpless Muslims

But the brutal Butcher has declared her final words

Will Rohingya Muslims EVER get the Citizenship?

**What was the reaction of the “Muslim Countries” & the
“Free World” Leaders on the Worst Genocide in the History
of Humanity?**

They all had a Deep Silence Except ONE

Then came the Coup

Did the Coup come to promote Democracy when its Leader is the Hero of the brutal crackdown on the Rohingya, including mass killings, gang rape and widespread arson? He was "one of the most wanted men on the planet"

The Reaction of The World to The Coup

China calls it a Cabinet shuffle and India is deeply concerned Whereas UN assures return of Democracy. Turkey condemns and is deeply concerned. The West also condemned the Coup.

The Condemnation came from the US, EU, UK, Japan, Australia, Malaysia and Singapore. US threatens with sanctions! But what do they all demand?!?

They demand Return of Democracy! Which means the Return of the Hero of the Genocide

STOP

**Killing Burmese
Muslims**

**WHEN? It
Will Stop**

The Dream?

- ❖ Giving Muslims in Rakhine Citizenship rights and Political representation
- ❖ Closing the state's camps and allowing displaced people to return home
- ❖ Ending restrictions on movement
- ❖ Ensuring access to education, healthcare and government jobs
- ❖ Promoting "inter-communal dialogue"
- ❖ Opening up the state to media and humanitarian groups
- ❖ Ensuring that security forces respect human rights, and enforce the rule of law

Can UN ensure that this dream comes true?

**Is this THE END or is it
THE START??!**
